2022 Long-Range
Transportation Plan

JANUARY 19, 2021

OCTA CITIZENS ADVISORY COMMITTEE

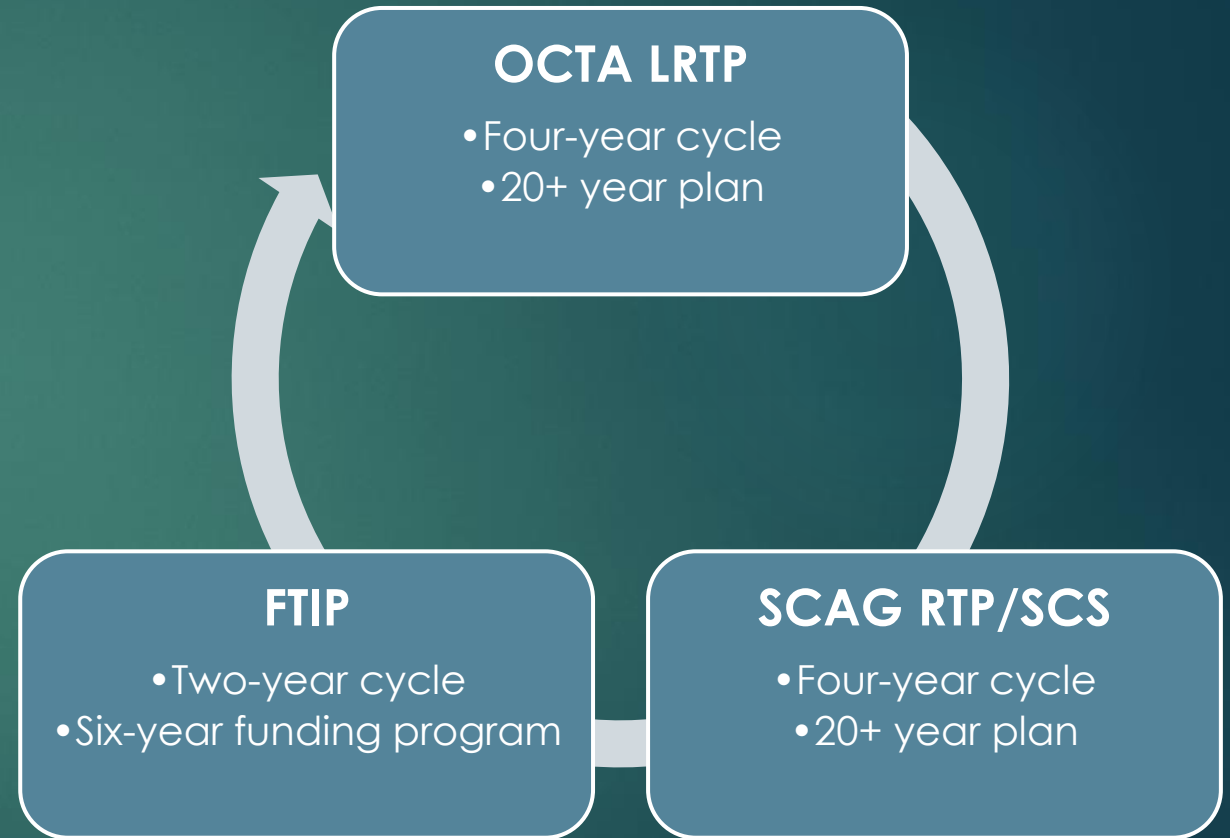

Long-Range Transportation Plan

OCTA's LRTP serves to:

- ▶ Evaluate current plans and policies
- ▶ Identify new initiatives and priorities
- ▶ Define projects in the Regional Transportation Plan

Must consider:

- ▶ Stakeholder input
- ▶ Revenue forecasts
- ▶ Current commitments
- ▶ Population/Employment forecasts
- ▶ Key Issues

Since 2018...

- ▶ COVID-19 has had a tremendous impact
- ▶ Social equity has a renewed nationwide focus
- ▶ California has redoubled efforts to reduce greenhouse gas emissions

Also new
for 2022....

Looking beyond the sunset of Measure M2

- Develop and analyze multiple scenarios for consideration as the “Preferred Plan”

Development of a program- level environmental document

- Intended to streamline development of projects in the LRTP Preferred Plan

Public Engagement

Public Outreach Campaign

- ▶ Online surveys
- ▶ Digital and social media
- ▶ Public meetings/webinars
- ▶ Pop-ups/community events
