The duration of this work may change depending on site conditions and are subject to change due to unforeseen operational factors.

### Upcoming Work Activities

Crews will be removing the center median on La Paz Road. This work will be loud due to the use of jackhammers and large saws used to cut concrete and pavement. To do this work safely and efficiently, intermittent lane closures on La Paz Road will occur overnight Monday – Tuesday (August 5 - 6) from 11 p.m. – 5 a.m.

Crews will continue moving south along the freeway as demolition of the center median occurs nightly between Alicia Parkway and Oso Parkway, Monday - Friday (August 5 - 9). To ensure a safe work environment for both our crews and motorists the carpool and two left lanes will be closed northbound and southbound. A large jackhammer and heavy equipment will be used during this operation, which will be noisy. Sound monitoring will be in place during operations to ensure noise levels do not exceed Caltrans standards.
