The duration of this work may change depending on site conditions and are subject to change due to unforeseen operational factors.

Upcoming Work Activities

Beginning Aug. 13, the right lane of the northbound I-5 on-ramp from westbound La Paz Road will close long term so crews can safely construct a new retaining wall. While the right lane will need to be closed long-term, the northbound on-ramp itself will remain open to motorists, including from 5 a.m. to 10 p.m. However, please plan for extra drive time. When necessary, ramp closures will occur during the off-peak/overnight hours. Please reference the map below to confirm the lane closure location.
