Saturday, April 21 until Monday, April 23, 12 a.m. to 5 a.m.

## MORE INFORMATION:

To operate safe and reliable rail service, please be advised that Metrolink crews will perform track rehabilitation work and replace rail at several locations on the railroad tracks between San Juan Capistrano and Dana Point and concluding in San Clemente.

Neighbors may experience noise and additional lights during this work. We anticipate the following impacts:

- Noise from self-propelled track machines
- Backup alarms from construction equipment
- High power illumination from light towers with generators

Please note all construction dates and times are subject to change without notice. There may be additional clean-up work after the project is completed. Metrolink's highest priority is safety. We apologize for this disruption in advance. Questions and concerns can be directed to Denise Silva at 213-452-0286, [silvad@scrra.net](mailto:silvad@scrra.net) or email [communityrelations@scrra.net](mailto:communityrelations@scrra.net).

Reducing paper usage is one component of Metrolink's sustainability priorities. Save paper and time while making it easier than ever to stay up to date on Metrolink maintenance work happening in your community. Go paperless and go green by signing up at [www.metrolinktrains.com/inyourcommunity](http://www.metrolinktrains.com/inyourcommunity) to receive your community notice.

**THANK YOU FOR YOUR PATIENCE AND COOPERATION.  
THIS IMPORTANT SAFETY PROJECT WILL BENEFIT YOUR COMMUNITY.**
