

December 14, 2012

The Orange County Transportation Authority has begun construction of the Placentia Avenue and Kraemer Boulevard undercrossings. In accordance with federal railroad safety regulations, residents should expect to hear an increase in the frequency of train horns because of construction activities on and around the railroad tracks, regardless of quiet zone designation.

**Regular work hours are Monday through Saturday, 7 a.m. to 8 p.m.**

The following construction activities are anticipated to begin during the next two weeks:

## Placentia Avenue

- Continue installing shoring for bridge construction
- Start installation of shoring for pump station
- Continue installing shoring for retaining wall construction along Placentia Avenue north of tracks
- Remove abandoned / conflicting portion of waterline on Fender Avenue
- Continue excavating portions of Placentia Avenue and Fender Avenue north of BNSF shoofly for shoring activities
- Continue installation of traffic signals at intersection of Placentia Avenue and Crowther Avenue
- Resume construction of Home Depot Driveway (2nd half)

## Kraemer Boulevard

- Continue installation of retaining wall 5 and 6 CIDH / Secant piles
- Begin installation of 60" RCP storm drain at Kraemer Boulevard / Orangethorpe Avenue intersection
- Begin relocation of Anaheim waterline at Kraemer / Orangethorpe intersection
- Continue placing the storm drain and sewer behind retaining wall 1
- Begin installation of shoring for pump station shoring.

## Orangethorpe Avenue

- Utility work (SCE and The Gas Company) continues as crews relocate service lines

## Tustin Avenue/Rose Drive

- Utility work continues
- Demolition and removal of debris continues at Rose Plaza

## Lakeview Avenue

- Right-of-way team continue activities to obtain access to properties required for overcrossing project

## Job Safety is OCTA's Top Priority

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be extra careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term solution.
