

June 11, 2015

The Orange County Transportation Authority is building a series of bridges to separate trains from vehicles along the BNSF corridor in Fullerton, Placentia and Anaheim. In accordance with federal railroad safety regulations, residents should expect to hear an increase in the frequency of train horns because of construction activities on and around the railroad tracks, regardless of quiet zone designation.

## Tustin Avenue / Rose Drive Overcrossing

### Extended Work Hours:

As part of the Tustin Avenue/Rose Drive Overcrossing project, extended working hours will be required. New hours may commence as early as June 22 and will be in place for the remainder of 2015: **Monday through Saturday from 5:30 am to 10 pm.**

Please note that work activities will be monitored and will not exceed permit restrictions.

The Orange County Transportation Authority apologizes in advance for any inconvenience this may cause.

## Raymond Avenue Undercrossing

### Acacia Avenue Seven-Day Closure:

A seven-day closure of Acacia Avenue just south of Walnut Avenue in Fullerton is in place June 9-15. The detour route for this closure has been updated to include pedestrian and bicycle access. To view the updated detour map, please click [here](#).

Please remember, you can follow construction progress on the individual project pages at the OC Bridges website. Please visit [www.ocbridges.com](http://www.ocbridges.com) (Click on the individual project page, scroll to the bottom and watch the daily progress)

### Job Safety is OCTA's Top Priority

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be extra careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term solution.
