Share driving duties, and use your time in the passenger seat to enjoy things like reading a book, watching videos or catching up on social media.

A NEW WAY TO SAVE TIME

Breeze past traffic in the carpool lane and save as much as one minute per mile, so you can get home earlier and never be late to work.

A NEW WAY TO SAVE WEAR AND TEAR ON YOUR CAR

Prolong the life of your personal vehicle by using a leased vehicle for your commute, instead of your own.

A vanpool is a group of five or more people who drive to work together, in a leased vehicle. **OCTA helps pay the monthly fee, by covering roughly 30-50% of the monthly cost!** Most vanpoolers pay \$75-\$150 per month, including gas, and some pay even less, due to employer assistance.
