

# VANPOOLS CAN HELP YOUR COMPANY

## A NEW WAY TO ACHIEVE ORGANIZATION GOALS

### A NEW WAY TO IMPROVE EMPLOYEE MORALE

Your employees who live long distances from work are coming to work stressed and tardy due to their lengthy commute. Boost their morale with a vanpool that allows them to utilize the carpool lane, split toll costs and not drive every day so they come to work on-time and ready to be productive.

### A NEW WAY TO IMPROVE SCAQMD COMPLIANCE

Your ridesharing plan will pass SQAQMD audits more easily with the presence of vanpools and you can reduce the fees paid out yearly.

### A NEW WAY TO REDUCE PARKING CONGESTION

One vanpool can free up 4-14 spaces! Reduce the costs of rented spaces and ensure that there is room for all employees to park easily.

### A NEW WAY TO EXTEND YOUR EMPLOYEE BENEFITS PACKAGE

Offering ridesharing incentives is a great way to refresh your employee benefits package which can aid in retention and acquisition of talented employees.

A vanpool is a group of five or more people who drive to work together, in a leased vehicle. **OCTA helps pay the monthly fee, by covering roughly 30-50% of the monthly cost!** We provide comprehensive mapping at no charge to you in order to identify where potential groups may exist. There is no employer liability and we take the work off of your plate to implement, grow and sustain the program.
