BIKE TO WORK DAY FAQ

What is Bike to Work Day?

Bike to Work Day is a celebration of cycling and an opportunity to showcase the many benefits of bicycling while encouraging new riders to try a non-vehicular mode of transportation. For Bike to Work Day, Caltrans will join thousands of regular and first-time bike commuters across the nation in commemoration of National Bike Month. By hosting a Bike to Work Day event, we hope that we may inspire others to become more active, experience an alternative mode of commuting, and help protect the environment.

What should I bring?

Please come prepared with comfortable clothing, your bicycle, a bike lock, and a helmet. Caltrans will provide water and snacks at the end of the event.

Will bikes be provided?

Unfortunately, as much as we want everyone to participate, Caltrans is unable to provide bicycles at this time.

What kind of event is this?

The event will take place in an urban setting and is intended for skilled and intermediate riders.
