A full closure of the intersection of State College Boulevard and E. Valencia Drive will begin on or about **January 9, 2015**. The closure will be in place until approximately summer 2017 to allow crews to build the new bridge.

Designated detour routes will be in place during this closure. **Residential and business access will be maintained.**

The City of Fullerton and OCTA remind you to:

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be careful when driving at night and in rainy weather
- Avoid use of mobile phones or other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term traffic solution.

The OC Bridges Program is partially funded by Measure M, Orange County's half-cent sales tax for transportation improvements.
