**Thank you for attending tonight's meeting.**

**This is an “open house” style meeting with no formal presentation. Project team members are available to provide information and answer your questions.**

OCTA's highest priority is safety for its project workers and the public. During construction, please:

- Slow down and watch for workers and equipment
- Allow extra time to get to work, school and appointments
- Be extra careful when driving at night and in rainy weather
- Avoid mobile phones and other distractions
- Watch for closures and follow detours
- Be patient. Remember that this is a short-term inconvenience for a long-term traffic and safety solution.
