

WEST COUNTY CONNECTORS

WEST COUNTY CONNECTORS

#BRIDGEBASH

EAST and WEST SEGMENTS

- Construction began in 2010
- Anticipated completion in late 2014 / early 2015
- \$277 million project
- Project contractor is Atkinson Construction

TRAFFIC SWITCH and NEW CONNECTOR

Southbound Interstate 405 (I-405) / Eastbound State Route 22 (SR-22)

Southbound I-405 / Eastbound SR-22 Connector 55-Hour Closure: July 26-29, 2013

The structures listed below will be closed for 55-hours, from 10 p.m. Friday, July 26 to 5 a.m. Monday, July 29. This 55-hour weekend closure is necessary so that crews can re-stripe and realign the freeway and nearby on- and off-ramps in order to shift traffic onto the new southbound I-405 / eastbound SR-22 connector, which has been reconstructed to make room for the SR-22/I-405 carpool connector.

RECOMMENDED DETOUR: From SB I-405 freeway take the Westminster Ave. EAST exit, continue on Westminster Ave.; turn left on Goldenwest Street and continue north to reconnect with the EB SR-22 freeway.

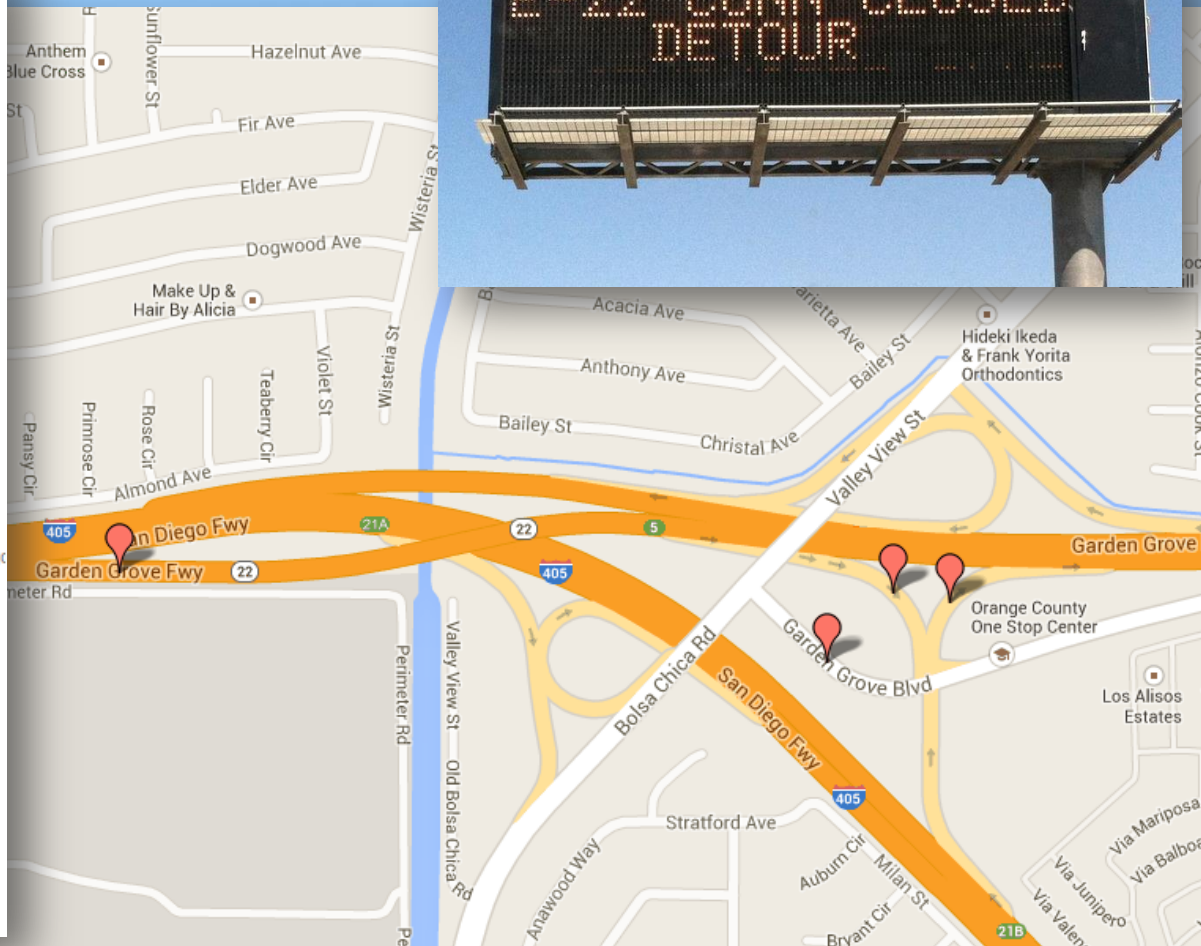

For more information regarding this activity, visit the WCC project website at www.octa.net/BridgeDemo.
