Agenda Descriptions/Public Comments on Agenda Items

The Agenda descriptions are intended to give notice to members of the public of a general summary of items of business to be transacted or discussed. Members from the public wishing to address the Committee will be recognized by the Chairman at the time the Agenda item is to be considered. A speaker's comments shall be limited to three (3) minutes.

Any person with a disability who requires a modification or accommodation to participate in this meeting should contact the OCTA at (714) 560-5611, no less than two (2) business days prior to this meeting to enable OCTA to make reasonable arrangements to assure accessibility to this meeting.

**Citizens Advisory Committee
Bicycle and Pedestrian Subcommittee
Meeting Notes**

June 18, 2024 | 12:00 p.m. – 1:30 p.m.
550 S. Main Street, Orange CA, Room 07

1. Welcome

Chair Paul Adams welcomed everyone to the Orange County Transportation Authority (OCTA) Citizens Advisory Committee (CAC) Bicycle and Pedestrian Active Transportation Subcommittee meeting.

Members Present:

Paul Adams
Tyler Holst

Dan Kalmick
John Kinney

Mary Ann Remnet

2. Presentation Items

A. Project B: I-5 (I-405 to SR-55) Project Update

Niall Barrett and Josue Vaglienty of Capital Programs presented the item
<The full presentation is available on OCTA.net.>

Committee Member Comments:

A committee member asked has there been any reduction in vehicle to bicycle interaction with the new striping that's been done at Culver. Niall Barrett responded he would have to get that information from the City of Irvine.

A committee member asked will the green striping be grandfathered in across more parts of the project. Niall Barrett said he is not sure there will be green striping and will check with the project manager, but the crosswalk would be signalized at the end of the on-ramp.

B. Bike Month Recap

Kristopher Hewkin, Marketing, presented the item.
<The full presentation is available on OCTA.net.>

Committee Member Comments:

A committee member asked if cities and zip codes can be separated out of the analytics to see the increases from year to year. Kristopher Hewkin responded he would check and see how granular they can get.

A committee commented they saw many Bike Month ads in Anaheim and have seen an increase in riders at the Anaheim Convention Center.

C. Active Transportation Program Update

Peter Sotherland, Active Transportation Coordinator, presented the item.
<The full presentation is available on OCTA.net.>

Committee Member Comments:

A committee member said I know in a couple past meetings the OC Loops and how they connected to different segments of the bikeways were discussed. The committee member asked does that Bikeways Connectivity Study, the money going into that program or is that ancillary to the OC Loops. Peter Sotherland responded that it is literally tangential in that we will be using the regional bikeway network of which the OC Loop is part of as the area of focus for where we will evaluate the Master Plan of Arterial Highways (MPAH) roadway segments so we can connect the segments to things like the OC Loop. He added we are going to be developing a Bicycle Propensity Index which would look at socioeconomic, geographic and land use factors to create a heat map which the OC Loop would be augmented by.

A committee member said our community hosts a variety of events which community members ride their bikes to. These events provide great opportunities to share bike safety education to all ages. Peter responded they will be looking for events like these to host bike rodeos at.

A committee member said the Orange County Supervisors are looking at developing a bike ordinance that Director Foley brought up and the Board approved, and will you be involved with that? Peter responded yes; we have been providing feedback

A committee member said Safe Routes to School is an excellent program and has been providing a lot of e-bike safety awareness.

A committee member asked where the term high zero car household came from. Peter responded it is from the American Community Survey (ACS) census data.

- D. San Juan Creek Bridge Replacement Project Update
Calina North, Public Outreach presented the item.
<The full presentation is available on OCTA.net.>

Committee Member Comments:

There were no committee member comments.

3. OCTA Staff Updates

- A. Marketing Update – Kristopher Hewkin, Marketing, presented the update.
<The full presentation is available on OCTA.net.>

Committee Member Comments:

There were no committee member comments.

- B. Staff Liaison Update – Christina Byrne, External Affairs presented the update.

Committee Member Comments:

There were no committee member comments.

4. Subcommittee Member Comments

A committee member said the City of Laguna Niguel is going to be setting up a protected bicycles lane with four different types on Aliso Creek Road between La Paz and Alicia in the middle of August. It will be up for about a month and they are trying to get feedback from the public and local businesses.

5. Public Comments

There were no public comments.

6. Adjournment

The meeting was adjourned. The next Bicycle and Pedestrian Active Transportation Subcommittee meeting is September 17, 2024, at 12:00 pm.
