Upcoming Work Activities

Crews will be removing the center median on La Paz Road. This work will be loud due to the use of jackhammers and large saws used to cut concrete and pavement. To do this work safely and efficient, the left lane of eastbound and westbound La Paz will be closed nightly from Monday - Friday (July 29 - August 2) from 11 p.m. - 5 a.m.

This week, crews will continue moving south as demolition of the freeway's center median occurs between Alicia Parkway and Oso Parkway nightly, Monday - Friday (7/29 - 8/2). To ensure a safe work environment for both our crews and motorists the carpool and two left lanes will be closed northbound and southbound. A large jackhammer and heavy equipment will be used during this operation, which will be noisy. Sound monitoring will be in place during operations to ensure noise levels do not exceed Caltrans standards.
