

Metrolink Corporate Partner Program (CPP)

WHAT IS THE METROLINK CORPORATE PARTNER PROGRAM (CPP)?

The Metrolink CPP provides affordable Metrolink train tickets that can reduce employee transportation costs and stress levels. Employees purchase their Monthly, 7-Day Pass, or Round-Trip Tickets through their employer and typically receive a tax incentive or employer subsidy.

Commuter Benefits

- Receive up to \$265/month in tax-free commuting benefits when commuter tax benefits are applied
- Reduce car expenses
- More time to relax, read, or catch up on work

How Does Metrolink's CPP Work?

Once a company has successfully registered for the program, all participating employees receive a corporate quick card to use at the Metrolink ticket vending machines. Also, the Employee Transportation Coordinator can see and manage all pass sales on the Metrolink website.

Program Qualifications

Before registering for the program your organization must have at least 5 current or interested Metrolink riders.

Employer Benefits

- Reduce parking costs
- Save on payroll taxes when commuter tax benefits are used
- Achieve AQMD Rule 2202 compliance

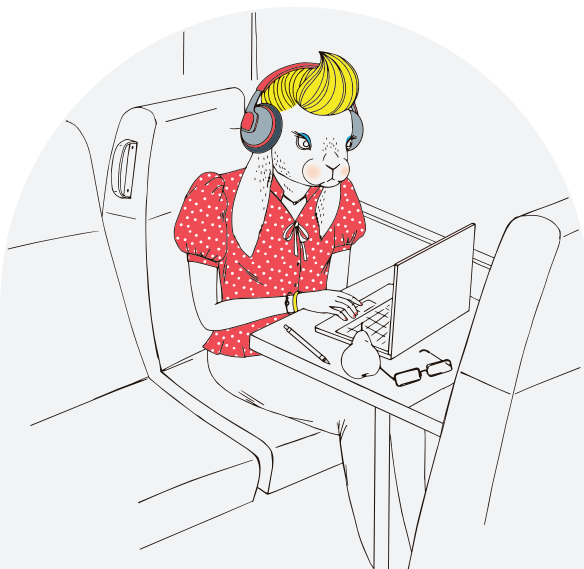

Is Metrolink's CPP for you?

Have 10+ current or interested Metrolink riders

Office is near Metrolink Station

Have internal administration
