

## Eastbound 4th St. Closure

OC Streetcar crews will be working on the Sycamore Street platform on 4th Street. To accommodate this work, the **eastbound lane on 4th Street between Sycamore Street and Main Street will be closed on April 3 from as early as 9 a.m. to 4 p.m.**

The schedule is subject to change due to inclement weather or unforeseen operational issues. Work activities are weather dependent. If a weather event or operational issue occurs on the anticipated start date, the closures will be delayed until the conditions allow the activity to start. This work may be loud.

A map of the closures is below.
