

## Construction Notification Week of March 18, 2019

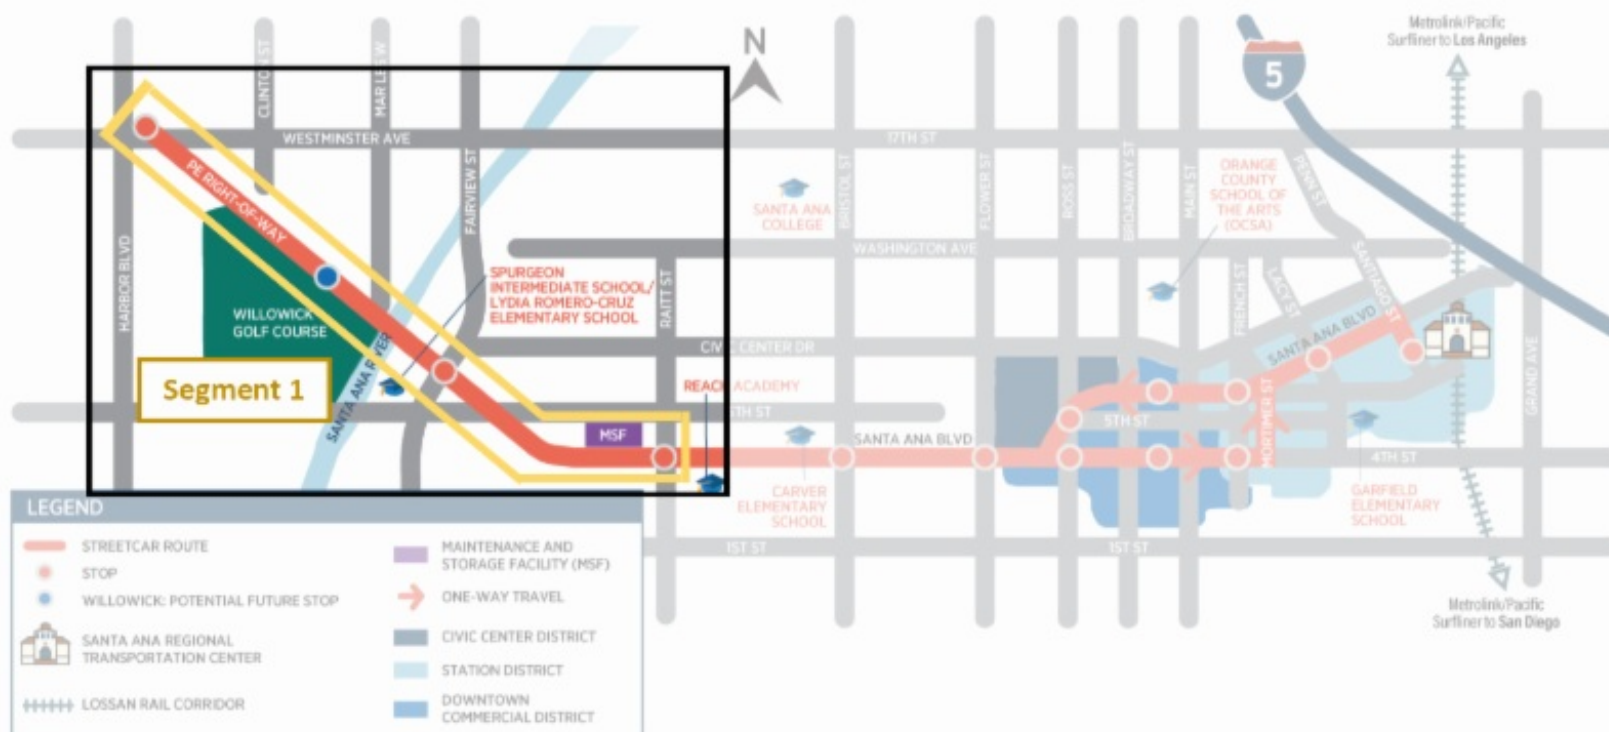

Crews are continuing potholing activities along the project route, with work generally moving from west to east. Potholing activities include excavation, soil backfill, and road work and restoration. While potholing is underway, community members can expect short, intermittent parking and lane restrictions. Access will be maintained for all residents and businesses.

For specific work activities in your area, see the segment overviews and maps below. All scheduled activities are weather permitting and are subject to change

### SEGMENT 1 CONSTRUCTION ACTIVITIES Intersection of Harbor Blvd. and Westminster Ave. to Raitt St.

Over the next two weeks, Segment 1 construction activities will include:

- Potholing for utilities
- Preliminary work and demolition at the site of the future Maintenance Storage Facility

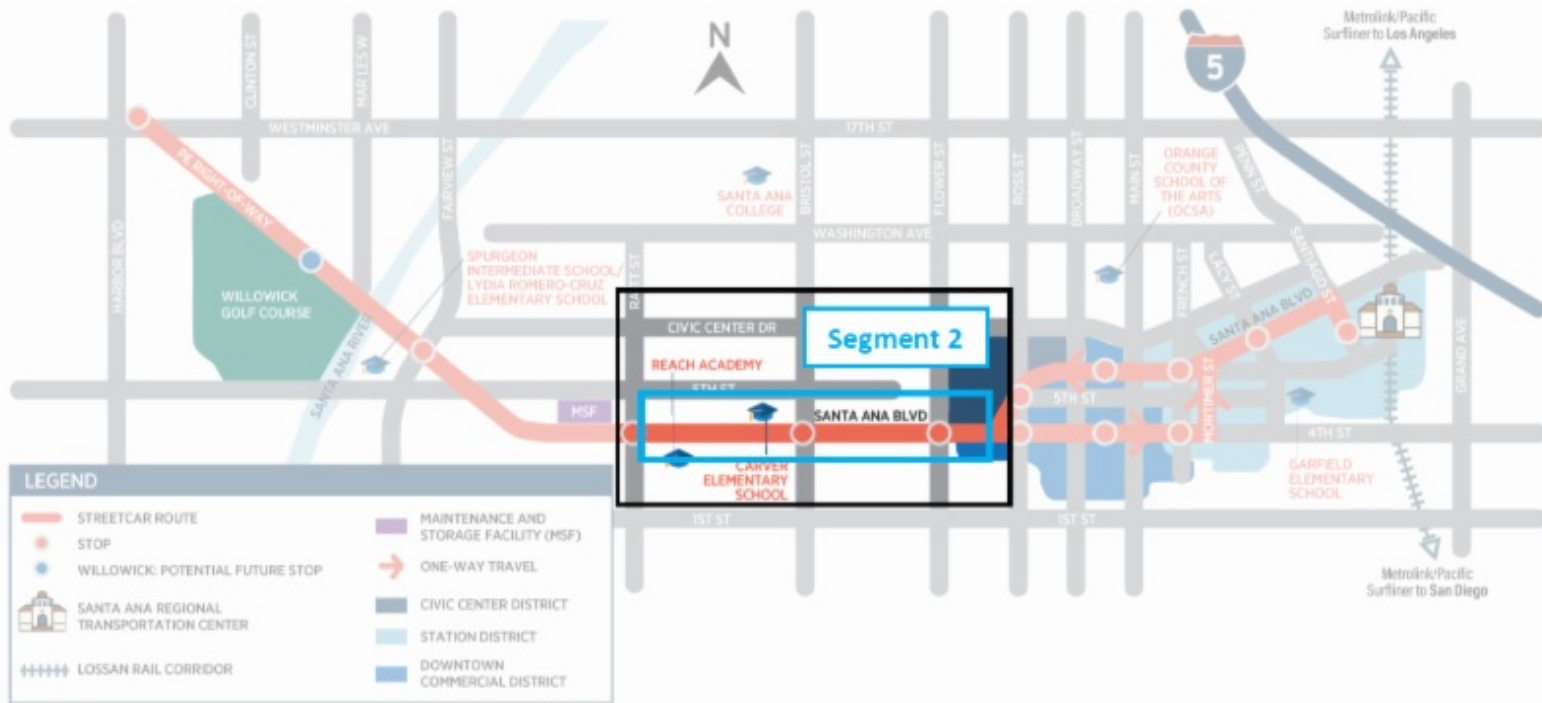

### SEGMENT 2 CONSTRUCTION ACTIVITIES Raitt St. to Parton St.

Over the next two weeks, Segment 2 construction activities will include:

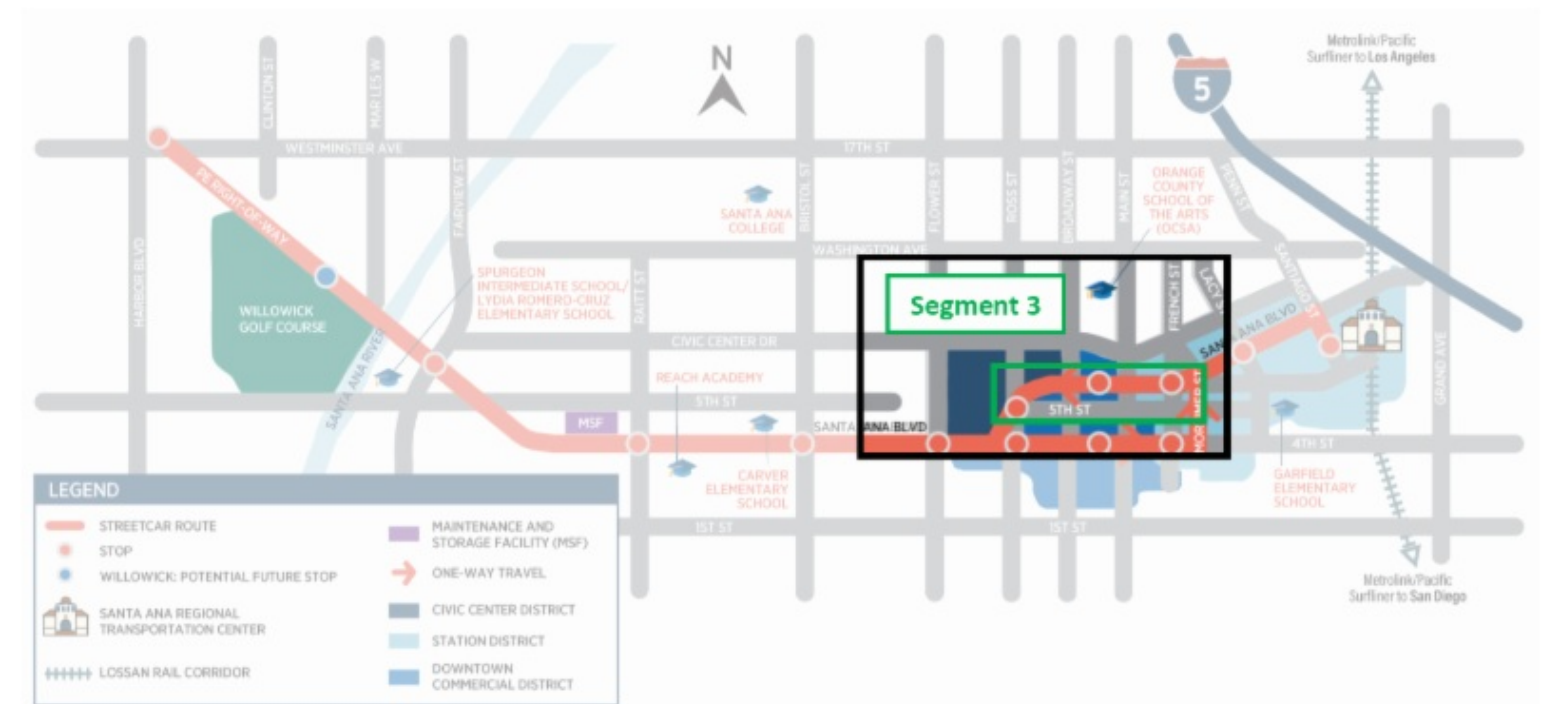

- Potholing for utilities

As early as April 1, crews will begin sewer work in Segment 2, which will include trenching and pipe installation. Advance notice will be provided to community members in the segment prior to the start of this work.

### SEGMENT 3 CONSTRUCTION ACTIVITIES Ross St. to Mortimer St.

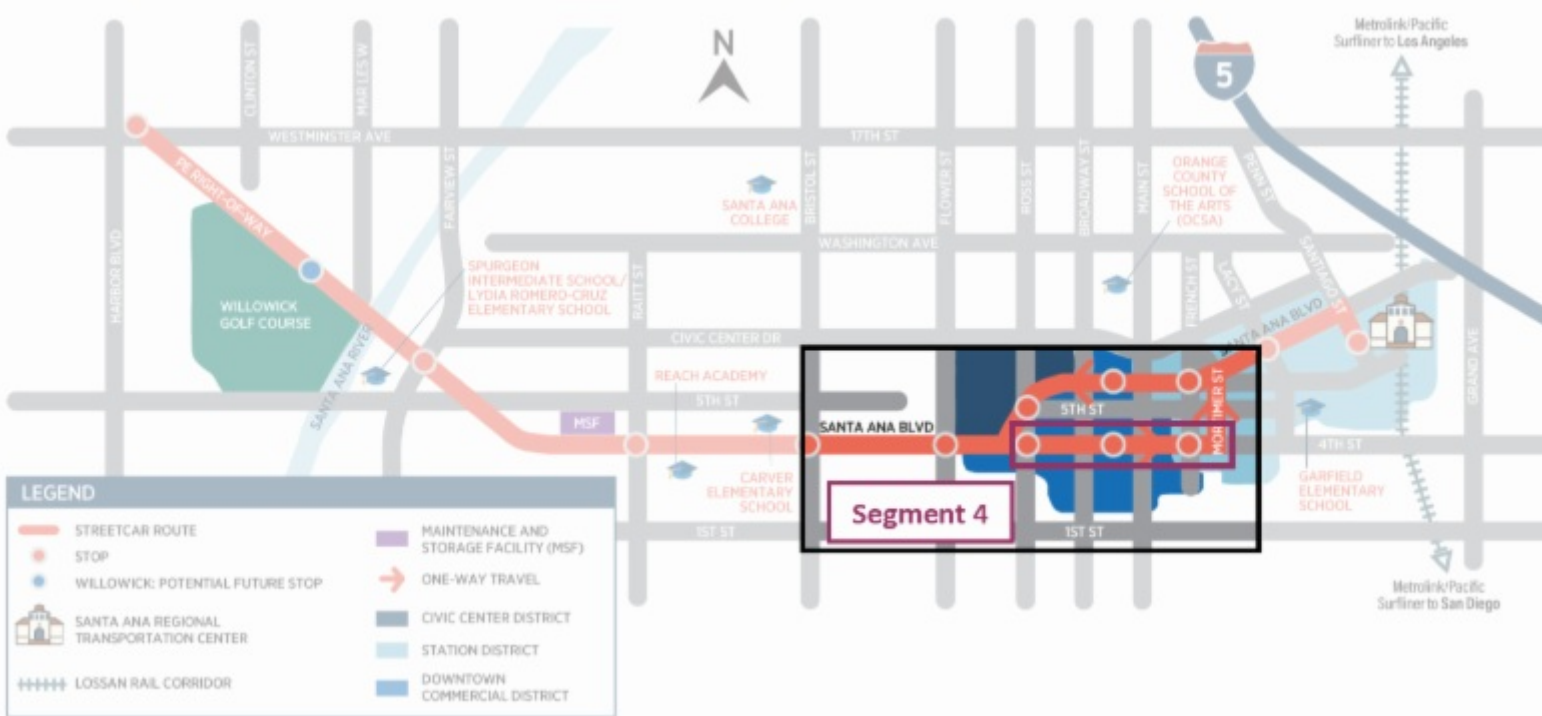

No construction activities are anticipated to take place in Segment 3 over the next two weeks.

### SEGMENT 4 CONSTRUCTION ACTIVITIES Ross St. to Mortimer St.

OC Streetcar construction activities are not anticipated to take place in Segment 4 over the next two weeks.

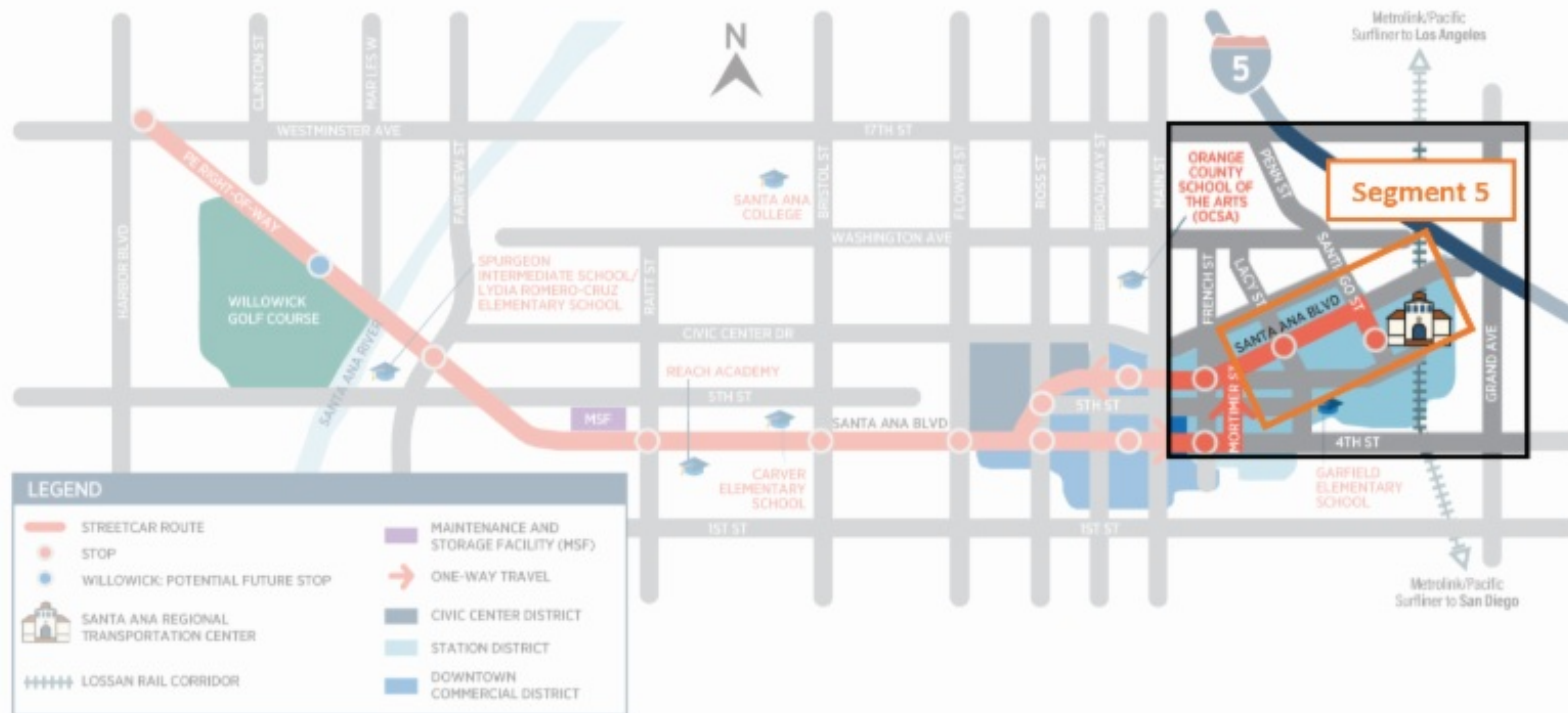

Southern California Gas Company will continue relocation of their service line on Fourth Street between Birch Street and French Street. Their work requires limited removal of sidewalk pavers to create a safe work zone. Parking may be temporarily limited in two block sections as work crews move east from Birch Street. Access to businesses will be maintained.

### SEGMENT 5 CONSTRUCTION ACTIVITIES Mortimer St. to SARTC

No construction activities are anticipated in Segment 5 over the next two weeks.

**Safety of the crews and community is our top priority. Please slow down near work sites and follow pedestrian instructions.**

### About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana’s historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists’ village and a thriving restaurant scene. Expected to begin carrying passengers in 2021, it will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminister Avenue in Garden Grove.
