

## Construction News

### Week of May 27, 2019

Road demolition and sewer installation work along the project route continues, with work generally moving from west to east. Sewer installation activities include excavation, trenching, installation of sewer pipelines, and road work and restoration. Sewer installation work requires temporary parking and lane restrictions.

Additionally, crews will perform water pipeline work and storm drain installation activities at the east end of the project route, which requires temporary lane and sidewalk restrictions.

Access will be maintained for all residents and businesses.

For specific work activities in your area, see the segment overviews and maps below. All scheduled activities are weather permitting and are subject to change.

---

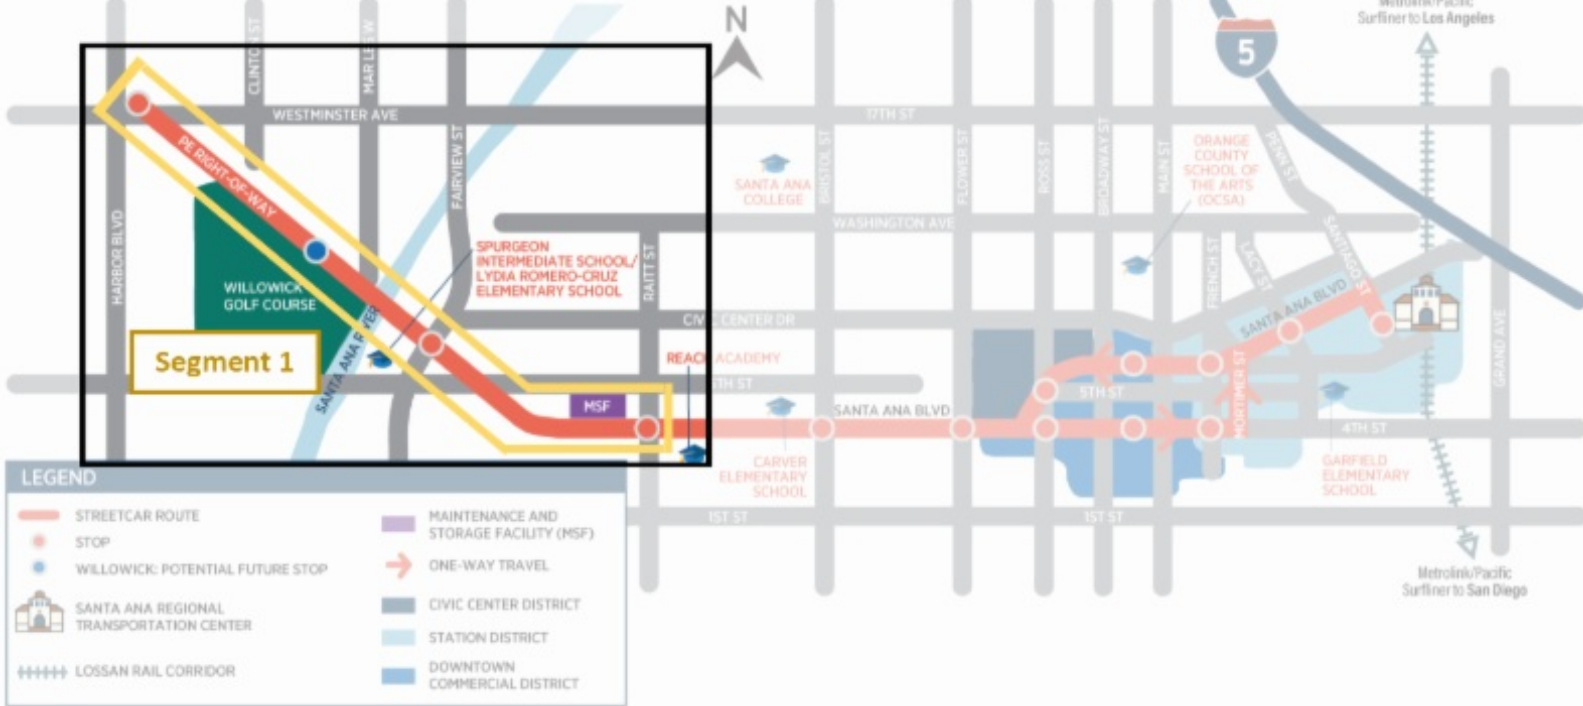

## SEGMENT 1 CONSTRUCTION ACTIVITIES

### Intersection of Harbor Blvd. and Westminster Ave. to Raitt St.

Over the next two weeks, Segment 1 construction activities will include:

- Preliminary work at the site of the future Maintenance Storage Facility
- Demolition and excavations within Pacific Electric Right-of-Way (PEROW) for guideway installation
- Installation of storm drains within the PEROW
- Work at the Santa Ana River Bridge
- Water pipeline work within the PEROW, adjacent to Westminster Avenue

Water pipeline work will require a temporary single-lane closure on Westminster Avenue, as well as a sidewalk closure on the south side of Westminster Avenue adjacent to the PEROW. Please slow through the construction area.

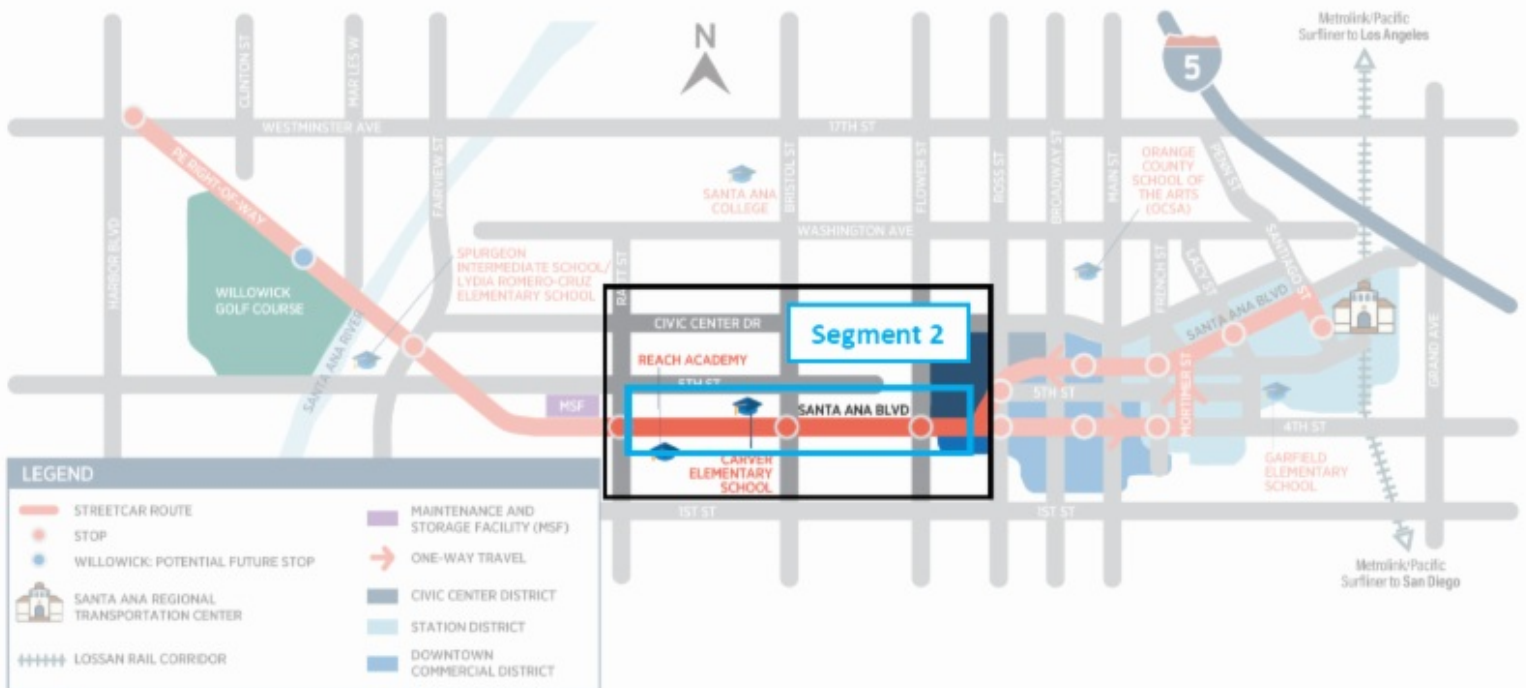

## SEGMENT 2 CONSTRUCTION ACTIVITIES

### Raitt St. to Parton St.

Over the next two weeks, Segment 2 construction activities will include:

- Sanitary sewer installation from N. Raitt Street to N. Flower Street

Sewer installation work will generally move west to east and will require temporary lane and parking closures on W. Santa Ana Boulevard. If visiting residents or businesses in the work zone, please ask crews to assist you in accessing the driveways. They can pull plates over the work area to facilitate entering and exiting.

## SEGMENT 3 CONSTRUCTION ACTIVITIES

## Ross St. to Mortimer St.

Over the next two weeks, Segment 3 construction activities will include:

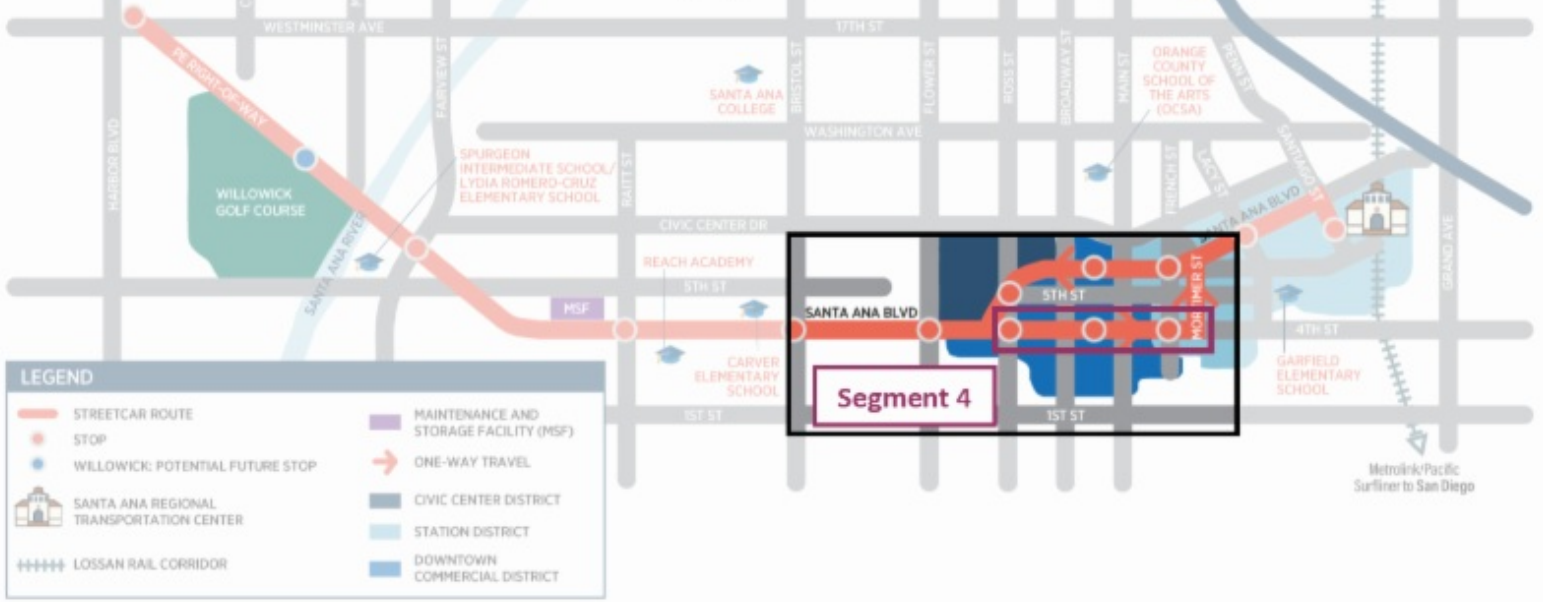

- Water pipeline work at Sasscer Park
- Water pipeline work on Santa Ana Boulevard, at Ross Street.
- Storm drain installation on Santa Ana Boulevard, at French Street.

## SEGMENT 4 CONSTRUCTION ACTIVITIES Ross St. to Mortimer St.

Over the next two weeks, Segment 3 construction activities will include:

- Potholing on 4th Street, at Main Street

## SEGMENT 5 CONSTRUCTION ACTIVITIES

### Mortimer St. to SARTC

No construction activities are anticipated in Segment 5 over the next two weeks.

**Safety of the crews and community is our top priority. Please slow down near work sites and follow pedestrian instructions.**

### About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana’s historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists’ village and a thriving restaurant scene. Expected to begin carrying passengers in 2022, it will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminster Avenue in Garden Grove.
