- B** City destinations and major streets along the route.
- C** Days the schedule is in effect. Holiday schedules only apply to the following holidays:
New Year's Day / Labor Day / Memorial Day / Thanksgiving Day / Fourth of July / Christmas Day
- D** Direction of travel.
- E** City or landmark where this route ends its trip. If two cities or landmarks are listed, this indicates the route operates short turn trips. See part H for description of short turn trips.
- F** Scheduled departures are from major bus stops listed. The bus departs at the time specified in the schedule. Riders are encouraged to arrive at bus stops 10 minutes prior to scheduled departure time(s). Between major bus stops, there are additional designated bus stops where you may board the bus, usually located one to three blocks apart. OCTA bus stops are identified by a bus stop sign indicating which route(s) stops there. Riders will need to estimate arrival times for these bus stops. Riders are advised to arrive at least at the scheduled time of the previous major bus stop for all non-scheduled bus stops. Departures from the non-scheduled bus stops may vary. Schedules may change due to unforeseen circumstances (traffic conditions, detours, weather, emergencies or labor issues), but we will do our best to provide bus service as planned.
- Below each scheduled departure you will see a listing of the times that the bus will be at that location. By reading the schedule from left to right, you can follow the movement of the bus as it travels along its route. In the example schedule shown, if you board Route 57 at Newport Transportation Center at 4:22 a.m., you would arrive at the Brea Mall at 5:50 a.m. Note: p.m. times are in bold print.
- Some routes, such as the 213, have flexible schedules due to traffic conditions. Buses may arrive or depart at certain scheduled departure points earlier than the published time. These schedules are denoted by an "(F)", and are referenced above the column in the schedules.
- G** When you see ellipses (.....), please note that NO SERVICE IS PROVIDED to that stop on that particular trip. In the example shown, Route 57 does not serve Anton & Sakioka until 6:17 a.m., even though there are earlier trips at other scheduled departure points.
- H** When you see **11:22**, please note that this particular trip is operating as a short turn trip and does not offer service along the entire length of the route. Short turn trips either do not start at the beginning of the route or do not go to the end of the route.

- B** Destinos urbanos y calles principales a lo largo de la ruta.
- C** Días en que el horario aplica. Los horarios de días feriados sólo son validos en los siguientes días feriados: Año Nuevo / Día del Trabajo / Memorial Day / Día de Acción de Gracias / Cuatro de Julio / Día de Navidad
- D** Dirección del recorrido.
- E** Ciudad o punto de referencia en que esta ruta termina su recorrido. Si aparecen en el listado dos ciudades o puntos de referencia, esto indica que la ruta opera viajes de recorrido corto (short turn trips). Vea la sección H para una descripción de viajes de recorrido corto.
- F** Las salidas programadas son paradas principales de autobús. El autobús sale a la hora especificada en el horario. Se aconseja a los pasajeros que lleguen a la parada de autobús 10 minutos antes de las horas de salida programadas. Entre cada parada principal de autobús hay paradas adicionales designadas donde puede abordar el autobús, generalmente ubicadas de cada una a tres cuadras. Las paradas de autobuses de la OCTA se identifican por una señal de parada de autobús indicando qué rutas se paran ahí. Los pasajeros tendrán que calcular las horas de llegada estimadas para estas paradas de autobús. También se recomienda a los usuarios que lleguen a todas las paradas de autobús no programadas, como mínimo, a la hora programada de la anterior parada principal. Las salidas de las paradas de autobús no programadas pueden variar. Los horarios pueden variar debido a circunstancias imprevistas (condiciones del tráfico, desvíos, meteorología, emergencias o trabajos en curso), pero haremos todo lo que esté en nuestra mano para proporcionar los servicios de autobús programados.

Debajo de cada salida programada en el horario verá un listado de las horas a las que el autobús estará en esa ubicación. Leyendo el horario de izquierda a derecha, puede seguir el movimiento del autobús a medida que recorre la ruta. Por ejemplo, si usted abordó la Ruta 57 en el centro de transporte Newport a las 4:22 a.m., debería llegar al Brea Mall a las 5:50 a.m. Nota: El horario de las tardes aparece en negrillas.

Algunas rutas, como la 213, tienen horarios flexibles debido a las condiciones del tráfico. Los autobuses pueden llegar o salir más temprano de lo que está publicado en algunos puntos. Estos horarios se indican con una "(F)," y se les hace referencia en la parte superior derecha de las tablas de horarios.

- G** Cuando vea puntos suspensivos (.....), quiere decir que NO SE DARÁ SERVICIO en esa parada de autobús en ese viaje en específico. En el ejemplo anterior, la Ruta 57 no cubre Anton & Sakioka sino hasta las 6:17 a.m., aún cuando haya viajes más temprano en otros puntos de salida programados.
- H** Cuando vea **.....**, quiere decir que este viaje específico opera como un viaje de recorrido corto, y que no cubre la trayectoria completa de la ruta. Los viajes de recorrido corto pueden no empezar al inicio de la ruta o no llegar al final de la misma.

tips

Five tips to remember

Plan Your Trip Online

You can plan your trips and receive specific trip itineraries 24 hours a day using OCTA's Just Click online Trip Planner. Just visit www.octa.net and click on the Just Click link. Once on the Trip Planner page, simply type in the cross streets, addresses or landmark of your starting and ending points, and the time you are leaving or when you need to arrive. The Trip Planner will generate a complete itinerary to view online or print. For regional trips outside Orange County, use the new 511 service at: www.go511.com. In addition, you can get a complete listing of current routes, timetables, frequency charts, individual and system maps, and Riders' Alerts to view, download or print.

- 1 Times are estimated. Please arrive at the bus stop at least 10 minutes early.
- 2 Have exact fare ready. Fareboxes accept coins and dollar bills but do not make change. Use quarters instead of smaller coins to avoid delays. **Fareboxes no longer accept pennies.** Flatten out dollar bills, including corners. You may instead swipe your 7-, 15- or 30-Day Pass or Day Pass. Passes are easier to use and save you money, too. Also show proper ID if using a Senior/Disabled Pass each time you board a bus.
- 3 When the bus stops, board through the front doors. All buses are accessible to persons with disabilities.
- 4 Sit down and enjoy the ride. Help make bus travel pleasant for everyone by riding smart.
 - No smoking, eating, or drinking on the bus.
 - No gas powered scooters allowed on the bus.
 - Strollers must be folded prior to boarding the bus.
 - Surfboards are permitted as long as they do not exceed 6 feet, 6 inches in length.
 - Service animals are allowed to accompany persons with disabilities. That person is responsible for the actions of the animal while aboard the bus.
 - All radios, cassette, compact disc players, and cell phones must be used with headphones.
 - Distributing any written material, solicitation or advertisement is not allowed.
 - Please keep front seats available for disabled persons and senior citizens.
 - **Bus schedules can change. Watch for brightly colored Riders' Alerts in schedule racks on buses.**
- 5 As your bus stop approaches, signal the driver to stop by ringing the chime or pulling the signal cord. When exiting the bus, go to the rear and press and release the yellow strips on the doors. Once the doors open, exit quickly, allowing children to go first.

Bike Racks

All OCTA buses are equipped with bike racks. Each bike rack holds two bikes. Racks are available on a first-come, first-served basis. If the rack is full, bikes are not permitted inside buses, except for the last trip of the day.

ACCESS Service

ACCESS service is OCTA's paratransit service for persons with a disability resulting in functional limitations that prevent them from using the regular bus system. **In order to use the service, you must schedule an ACCESS in-person assessment, please call ACCESS Eligibility at 714-560-5956 Ext. 2, and meet the Americans with Disabilities Act (ADA) criteria.**

consejos

Cinco puntos importantes

Planifique su Viaje en Línea

Puede planificar sus viajes y obtener itinerarios de recorridos específicos 24 horas al día, utilizando el planificador de viajes de la OCTA. Simplemente visite www.octa.net y haga clic en el vínculo Planificador de Viajes. Una vez en el Planeador de viajes, sólo es necesario escribir la dirección, el cruce de calles o el punto de referencia del lugar de inicio y de fin del viaje, así como la hora de salida o de llegada. El Planeador de viajes generará un itinerario completo para ver en línea o imprimirlo. Para los viajes regionales fuera del Condado de Orange, utilice el nuevo servicio 511 en: www.go511.com. Adicionalmente, puede obtener un listado completo de rutas, horarios, información sobre la frecuencia de los viajes, mapas individuales o del sistema, y Alertas al Pasajero que podrá ver, cargar o imprimir.

Los tiempos de llegada son estimados. Por favor llegue a la parada con 10 minutos de anticipación por lo menos.

Tenga a la mano el cambio exacto. Las cajas de pago aceptan monedas y billetes de un dólar, pero no regresan cambio. Utilice monedas de 25 centavos en lugar de monedas de menor denominación para evitar demoras. **Los dispensadores automáticos de billetes de OCTA ya no aceptarán monedas de un centavo.** Alise los billetes de dólar, incluyendo las esquinas. También puede deslizar su Pase de 30-Días o Pase Diario. Los pases son más fáciles de usar, y le ahorran dinero. Si utiliza un Pase para Personas de Edad Avanzada o Incapacitadas, deberá mostrar identificación adecuada cada vez que suba al autobús.

Cuando el autobús se detenga, súbase por las puertas delanteras. Todos los autobuses son accesibles a personas con incapacidad.

Siéntese y disfrute el viaje. Sea cortés. Ayude a hacer el viaje en autobús placentero para todos.

- No fumar, comer ni beber en el autobús.
- No se permiten motonetas de gasolina (scooters) en el autobús.
- Los carritos de bebé se deben plegar antes de abordar.
- Se permiten las tablas de surf siempre y cuando no excedan 6 pies, y 6 pulgadas de largo.
- Se les permite a personas con incapacidad ser acompañadas por animales que les prestan servicio. Dicha persona se responsabiliza por las acciones del animal mientras esté a bordo del autobús.
- Todos los radios, reproductores de cassettes y discos compactos deberán utilizarse con audífonos.
- No está permitida la distribución de material escrito, solicitud, o propaganda comercial.
- Favor de dejar los asientos delanteros disponibles para personas incapacitadas o de edad avanzada.
- **Los horarios de autobuses pueden cambiar. Esté atento a las Alertas al Pasajero (Riders' Alerts) de colores vivos en los porta-horarios de los autobuses.**

Al acercarse a su parada, indíquele al conductor que se detenga, tocando el timbre o jalando la señal. Para salir del autobús, diríjase a la puerta trasera, y presione y suelte las tiras amarillas sobre las puertas. Al abrirse las puertas, salga rápidamente, permitiendo que los niños salgan primero.

Rejillas para Bicicleta

Todos los autobuses de la OCTA están equipados con rejillas para bicicletas. Cada rejilla puede alojar dos bicicletas. Si las rejillas están ocupadas, las bicicletas no están permitidas en los autobuses, excepto en el último viaje del día.

Servicio ACCESS

El servicio ACCESS es el servicio de paratransito de OCTA para personas con una incapacidad (debido a limitaciones funcionales) que no pueden usar el sistema regular del autobús. **Para poder utilizar este servicio, deberá hacer una cita de evaluación en persona con ACCESS, favor de llamar a la línea de elegibilidad de ACCESS al 714-560-5956 Ext. 2, y cumplir los criterios del Acta de Americanos Discapacitados (ADA, Americans with Disabilities Act).**

If you do not have a touch-tone phone, please hold and the first available operator will help you. Be prepared when you call and have a pencil and paper ready. If you are requesting bus route information, be prepared to give the operator your starting and ending points (nearest intersection is more helpful than a street address), and the time you need to arrive at your destination. Some trips may require taking more than one bus, so be sure to write down all schedule details and confirm them with the operator before completing your call. If you need return trip information, ask for it when you plan your original trip.

Interested in working at the CIC? The CIC is always looking for quality employees who are customer friendly and have knowledge of Orange County's bus system. Go to www.altaresources.com/CA_Careers.html to submit a resume and apply online.

Si no tiene un teléfono de tono, por favor espere y el próximo operador disponible le atenderá. Prepárese antes de llamar. Tenga a la mano lápiz y papel. Si está solicitando información acerca de rutas de autobús, indique al operador el punto de partida y el destino final de su viaje (la intersección más cercana es más útil que la dirección misma), y el tiempo de que dispone para llegar a su destino. Algunos recorridos requieren tomar más de un autobús, así que asegúrese de apuntar bien todos los detalles de su itinerario de viaje, y confirmarlos con el operador antes de completar su llamada. Si necesita información del viaje de vuelta, pregunte cuando planee el viaje original.

¿Está interesado en trabajar en el CIC? En el CIC siempre estamos buscando empleados de calidad con buenas dotes de trato con el cliente y que conozcan el sistema de autobuses del condado de Orange.
